Manager's Corner

The benefit for Meanie and Thurman Ellis, which is listed in the bulletin, is scheduled for Saturday, September 11, 2010 at 2:00pm. If members who are unable to attend would like to make a contribution for them you can make it to the POA office, we will make sure that they receive it.

The fitness center has been up and running for a while now and I would again like to thank the many owners who donated equipment. Owner's stop by and check out our new fitness center! (Remember, the fitness center is only available to adults 18 and older).

The following projects are ones I would like to have help, from some of our owners, on. If you are able to assist with any please see me.

- Fixing the mini golf course buildings, brick and boulder work.
- Painting all trim and doors on C-Section Bathhouse.
- Fixing siding on 2nd River Bathhouses. Painting trim and putting up siding.

John Barnes,
Resort manager

Attention Members

On August 1, 2010, a monthly charge, enacted by the current board of directors, for the storage of recreational vehicles in any of our storage lots on the Resort (D & F Storage) will take effect. If you have an RV in the storage area for a month, or any part of a month, there will be a fee charged. This fee, of \$15.00 for a whole month, or \$10.00 for any part of a month, is a pre-paid fee, payable at the POA office. An inventory of all campers will take place on the first. If you have an RV in storage please come to the POA at that time. You may also pre-pay for a period of time, or the entire winter season. Additionally, a waiver must be filled out for our files. Without a signed waiver, you will not be able to keep your RV in storage. These waivers will be mailed along with the notice of storage fees.

New Vision

FUTURE APPEARANCES:

August 8th: *The Comptons*

August 15th: *Justified*

The guests appearing at the worship services are usually paid by the love offering, however, sometimes this is a very small amount. When a group or ensemble appear the love offering needs to be enhanced.

I am taking donations at the POA office for these extra funds to be given to the guests. Please donate so that the tradition Meanie & Thurman Ellis has brought to North Fork may continue.

Notes from Security

Pool Safety & Rules

We are increasingly having more and more horseplay and foul language by our youthful swimmers.

We have installed flood lights for night time.

There is to be no alcohol, no glass bottles, and no smoking inside the gates!

Talk to your children! Violators of any of the above infractions will be ejected from the pool for the day or longer. Some of these issues are extremely dangerous with regards to the safety of all.

Additionally, in the large pool, at the far end, from 8pm until close there will be a nightly adult swim. During these hours our young adults under 18 will be restricted to the first pool.

We will now have volunteer rovers from 6pm to 10pm nightly and from 6pm to 12am Friday and Saturday. These members will be able to aid in problems and take reports for Security or myself. They may also issue tickets if the situation warrants it. Please give our volunteers as much information, concerning any incident, which may help us.

5 MPH is our speed limit. Please obey it!

Our rules state all golf carts are to be driven by a licensed driver, have liability insurance, and have front & back operable lights (headlights in front and tall, red lights in back).

Additionally, we have a “no open container” rule concerning alcohol. Failure to adhere to the rules will result in a ticket and or fine.

The fitness center is now open and the key is available for sign out at Security.

There is to be **NO SMOKING** and **NO PETS** in any Resort building or rental.
